## AN ANALYSIS OF JARGON USED IN GITASURYA STUDENT CHOIR

### ABSTRACT

Jargon is one of the language varieties which is commonly created by particular society. Jargon is a slang term used in conceivable science, profession, trade and occupation. They also add that the reason to specialized terminology is for clarity of communication, but part is also for speakers to identify themselves with persons with whom they share interests.

The study focuses on the jargon found in one community and knowing the meaning of the jargon. This study is qualitative research using descriptive research design. The object of the study is jargon found in Gitasurya Student Choir. The research data taken from interview and analyze the music score. Moreover, the main instrument used in collecting the data in this study is member of Gitasurya Student Choir.

The result of this study shows that there are twenty jargon was found in Gitasurya Student Choir. The total number of jargons found can be classified into four word of classes including jargon as noun, verb, adjective and adverb. In this research there is also the meaning of each jargon used in Gitasurya Student Choir including literal meaning and jargon meaning.

## ACKNOWLEDGMENTS

Alhamdulillahirabbil 'alamin, all praises and gratefulness to Allah S.W.T who is the source of life and strength of knowledge and wisdom.

My sincere appreciation and deepest gratitude is conveyed to **Dr. Sudiran, M.Hum** and **Rosalin Ismayoeng Gusdian, S.S., M.A** for their kind supervision, guidance, support and valuable suggestions. It was a great honor to finish this thesis under their advisory. I also thank to all of English Language Education Department lecturers and staff to their help and encouragement.

I would like to extend my special thanks to my Ibu Salmah, Bapak Patahangi, my sister, my brother, all of Patahangi's Family members and Gitasurya Student Choir for the unconditional supports and continuous care. My thankfulness also goes to my partner Farras as my support system.

Last but not the least; I would like to express my gratitude to all my beloved friend and also my research respondents who contribute in finishing this thesis. I will always appreciate all things that they have done.

I completely aware that this thesis is far from the percentage of perfection. I realize that many mistakes have been made even though I have already worker hard to complete the thesis. Therefore the critics and suggestions are expected in this research. Finally, I hope that this thesis will be beneficial for the readers.
